

## Beavers Report 2011/2012

Ontario Colony has had consistently 18 children throughout the last year.

### Activities

The Beavers have earned several badges this year

Adventure, Safety, Air Activities and Hiker 1.

Promise, Creative and Friendship challenge, 3 beavers went up to Cubs with Bronze awards this year - well done to all of them.

In the Summer term we went to Lydiard Park for a Medieval day including a bus ride, made African Headdresses and instruments, walked to Asda and created a healthy menu, priced the items and listed how everything was packed.

In the Autumn term we focused the Country code, putting up tents , healthy eating and having a picnic in the Wick. As part of the Air Activities badge the beavers made Kites and flew them in the park behind the Wick.

In the Winter term the Wick was out of action for two weeks and due to work commitments the beavers mainly focused on Christmas and Games.

Spring term has seen us design and build fire engines, visit the fire station, the beavers also created paper flowers ,towards their creative challenge badge, as Mothering Sunday presents.

### Leaders

Alison left the leaders team in the Winter, Derek came back to support the group, as well as Alan Kelly and Vicky Owen joining as Parent helpers.

### Parents

A big thank you to our regular parents who without fail help us, a special mention to Heather and Joanne who without fail come along and help if we need extra hands. THANK YOU.
