

Beaver Colony's Report 2012-13

Ontario Colony has had consistently 15 children throughout the last year.

Activities

The Beavers have earned several badges this year as well as working towards their stage badges.

Experiment, Explore, Swimming, IT and Hiker.

Promise, Fitness, Global and Friendship challenge, 5 beavers achieved their Bronze awards this year - well done to all of them.

In the summer term we tried our hand at Geocaching, had a visit from Jonathan Jungle and his creepy crawlies! We celebrated the Queen's jubilee by having a flag drive and decorating biscuits in the colours of the United Kingdom Flag. We visited Lydiard Park and had Hot Dogs in the woods whilst it was raining!

In the autumn term we focussed on creating our own Olympics and had a visitor who showed us an Olympic Torch from the Paralympics. We also visited Coate Water and made our own Volcanoes, as well as exploring the magnetism of magnets – with paint and model boats.

In the winter term we focussed on the Global Challenge and the beavers tried food from around the world – cooking some food on a Wok and visiting the Eiffel tower whilst tasting French cuisine!

Spring term the beavers designed and built police cars, we also had a visit from our local community police officer, which included having the local Police SUV in the Wick, as well as our own Young Leader being arrested.

Leaders

Alison Sanderson left the leaders team in the Winter, Derek came back to support the group, as well as Alan and Vicky joining as Parent helpers.

Parents

A big thank you to our regular parents who without fail help us.

THANK YOU.

Catharine – Beaver Leader 1ST Swindon Sea Scouts
