

Treasurer's Report 2012-13

The largest fund raiser again has been the selling of the Christmas stamps, without this the group wouldn't be able to run, so a big thank you to all parents who gave up their time to sit in Morrison's and sell stamps. If any one would like to take some stamps into their workplace this year please see the stamp coordinator who should be able to let you have some stamps.

Also this year we have started to collect cans, this is a very easy way for the Group to raise some Money, so please bring all your empty cans with you when you bring your son/daughter to The Wick.

Most people now pay subs via standing order or direct credit which makes it easier for our new subs secretary, so a big thank you to all parents making payment this way. If you would like the Groups details in order to set up your own standing order please talk to your section leader. As we are a Charity we are able to claim Gift Aid on your subs, a big thank you to Catharine Smith for sorting this. If you haven't already signed up to Gift Aid your subs please see Catharine, who will be able to supply you with a Gift Aid form.
