

### **Group Scout Leader Report 2016-17**

The Group continues to grow in numbers and the success of our annual events, Regatta, Les Barnes, Fun Day etc, also continue to grow in reputation and attendance year on year.

All sections have had a varied and exciting program during meetings in The Wick, learning and developing new skills in addition to off site visits and camps. The Scout and Explorer sections spent the summer months sailing and kayaking at Bowmoor.

New for 2016 was the opportunity for the scouts and explorers to attend sailing camp on the Isle of Wight. This was a great success and adds to our annual programme for the older sections. The group's camping and sailing equipment have also been added to ensuring the size of the group can be equipped and take advantage of the varied programme we offer.

Catharine Smith, Group Scout Leader
